

Transforming Healthcare through Innovation

ASEED, with 35+ years of socio-economic expertise, has developed SC-AN, a pioneering health-tech initiative, which is now registered and mentored under Supercoentials a DPIIT-recognized, supported by MSME & incubated at AIC IIT Delhi,

Our Mission

Embark with us on a transformative journey towards a decolonized, equitable, and truly global approach to health. Together, let's reshape the narrative of global health, placing humanity at its heart.

By partnering with ASEED, sponsors can:

1. Enhance their (CSR) profile
2. Contribute to sustainable community development
3. Improve brand visibility and reputation
4. Support innovative healthcare solutions
5. Contribute to a more equitable global health
6. Benefit from tax exemptions.
7. Align with UN Sustainable Development Goals

A pilot opportunity to deploy SC-AN as 5G usecase

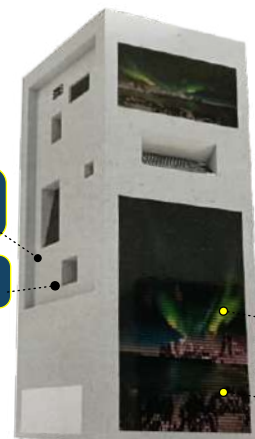

Deployment in and around your district.
PHCs | CHCs | DH
